

Northwest Arkansas is a must-visit shopping destination. From shopping malls, department stores, boutiques, and one-of-a-kind antique shops, you are sure to find everything you need. The Rogers-Lowell Area Chamber of Commerce, Visit Rogers, and Downtown Rogers Inc. encourage you to **#ShopNWA** this November and December.

According to a study, over two-thirds of the money spent at locally owned businesses stays in the community and other studies have shown that local businesses donate at a higher rate to local causes and nonprofits.

Local businesses create jobs in our community. Locally owned businesses carry a wider array of unique products because they buy for the unique needs of their community.
