PROGRAM OVERVIEW

Leaders are not born; they are developed. We must ensure the success of our community by cultivating talented individuals who will emerge and lead us into the future. There is no better training ground for our future leaders than Leadership Benton County (LBC). The keys to the future of Northwest Arkansas are knowledgeable and skilled leaders who have an awareness and understanding of all facets of our community; including government, business, education, recreation, utilities, infrastructure, housing, health care, social services and more.

Our Purpose

Leadership Benton County will inspire and connect leaders to serve their community.

Objectives

- Participants will identify their strengths and passions that can be leveraged to serve their community.
- Participants will understand the strengths, needs, and inter-connected systems that provide opportunities within our community.
- Participants will be able to apply and build their social networks and connections.
- Participants will emerge as board-ready leaders who are equipped to step into open opportunities.
- Participants will be prepared to share their experience, bringing knowledge back to their employers and teammates.
